PREFACE

This Statement of Vote and Supplement is prepared and issued pursuant to Sections 17121 and 17122, Elections Code.

I wish to thank those many individuals who assisted in compiling, editing, proofing and printing this document with its detailed vote information.

In particular, I wish to express my special appreciation to Ed Arnold, Cashie Apperson and Martha Paulo, of my elections staff, who worked many long and tedious hours preparing and editing this document; Bob Fitzgerald and Bob Williams, of my data processing staff, who designed and produced many innovative features in both the election-night canvass and the computer typesetting of the Supplement; and, Gary Ensign from the Graphic Arts Section of the State Printing Plant for the cover design.

STATEMENT OF VOTE

AND SUPPLEMENT

GENERAL
ELECTION
November 7, 1978

Compiled by
Michele Yang Lu
Secretary of State

Congress

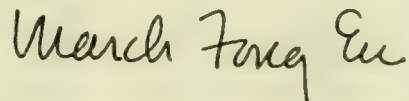

PREFACE

This Statement of Vote reflects the votes cast in the Gubernatorial Election held on November 7, 1978, as well as the votes for Representative in Congress, State Senator, Member of the Assembly, and Justices of the Supreme and Appellate Courts.

It is prepared and issued pursuant to Elections Code Section 17121.

I wish to thank those many individuals who assisted in compiling, proofreading, editing, designing, and printing this document with its detailed vote information.

I want to express special thanks to Mervin D. Field of the Field Research Corporation in San Francisco for his permission to include a table he has published which shows California voter registration and turnout in statewide elections between 1958 and 1978 as a percentage of total eligible population. This table illustrates the decline in real voter participation over the past twenty years.

A handwritten signature in black ink that reads "March Fong Eu". The signature is written in a cursive, flowing style.

MARCH FONG EU
Secretary of State

Because the precinct was consolidated across supervisor district lines, and because no attempt was made to segregate the voted ballots by supervisor district, no one now can tell how to apportion the votes back to the supervisor district from which each of the voters who voted lived.

The vote totals shown on page 22 for the supervisor districts do not total to the county vote totals. The missing information is:

Prop. 1	Yes	109	No	43

Prop. 4	Yes	122	No	30

- 3 Los Angeles County and San Francisco City and County did not apportion their absent voter ballots to the proper congressional, senate, assembly and, in the case of Los Angeles, equalization districts. Therefore, the number of votes reported in each affected district is understated.

- # Santa Barbara County did not apportion their absent voter ballots to the proper senate and assembly districts. Therefore, the number of votes reported in each affected district is understated.

- 6 Sierra County consolidated the two precincts in the City of Loyalton into a single precinct. One of these precincts was in the 4th supervisor district, and the other in the 5th. Because the precinct was consolidated across supervisor district lines, and because no attempt was made to segregate the voted ballots by supervisor district, no one now can tell how to apportion the votes back to the supervisor district from which each of the voters who voted lived.

The vote totals shown for the City of Loyalton are the sums of the votes from the 4th and 5th supervisor districts.

- \$ Solano County did not apportion their absent voter ballots to the proper assembly district. Therefore, the number of votes reported in each affected district is understated.
